33. Communications (including promotional or advertising activities) with staff of the GMA or advisors assisting with the Tendering Process are not permitted during the Tendering Process except as provided in clause 26 above, or otherwise with the prior consent of the Project Manager. Nothing in this clause 33, is intended to prevent communications with staff of, or advisors of the GMA to the extent that such communications do not relate to this RFT or the Tendering Process.
34. Bidders must not otherwise engage in any activities that may be perceived as, or that may have the effect of, influencing the outcomes of the Tendering Process in any way.

IMPROPER ASSISTANCE, FRAUD AND CORRUPTION

35. Bidders may not seek or obtain the assistance of employees, contractors or advisors of the GMA in the preparation of their tender responses.
36. The GMA may in its absolute discretion, immediately disqualify a Bidder that it believes has sought or obtained such improper assistance.
37. Bidders are to be familiar with the implications of contravening the Prevention and Combating of Corrupt Activities Act, No. 12 of 2004 and any other relevant legislation.

ANTI-COMPETITIVE CONDUCT

38. Bidders and their respective officers, employees, agents and advisors must not engage in any collusion, anti-competitive conduct or any other similar conduct in respect of this Tendering Process with any other Bidder or any other person(s) in relation to:

40. In addition to any other remedies available to it under law or contract, the GMA may, in its absolute discretion, immediately disqualify a Bidder that it believes has engaged in any collusive, anti-competitive conduct or any other similar conduct during the entire Tendering Process.

COMPLAINTS ABOUT THE TENDERING PROCESS

41. Any complaint about the RFT or the Tendering Process must be submitted to the Project Manager in writing, (preferably by email), immediately upon the cause of the complaint arising or becoming known to the Bidder.

A Bidder must not, and must ensure that its officers, employees, agents and advisors do not place themselves in a position that may give rise to actual, potential or perceived conflict of interest between the interests of the GMA and/or the Gauteng Provincial Government and the Bidders interests during the Tender Process.
45. The Bidders Response in this RFT Part C requires the Bidder to provide details of any interests, relationships or clients which may or do give rise to a conflict of interest in relation to the supply of the Services under any contract that may result from this RFT.
46. If the Bidder submits its Tender and a subsequent conflict of interest arises, or is likely to arise, which was not disclosed in the Tender, the Bidder must notify the GMA immediately in writing of that conflict.
47. The GMA may immediately disqualify a Bidder from the Tendering Process if the Bidder fails to notify the GMA of the conflict as required.

LATE TENDERS

48. Tenders must be lodged by the Closing Time. The Closing Time may be extended by the GMA in its absolute discretion by providing written notice to Bidders.

49. Tenders lodged after the Closing Time or lodged at a location or in a manner that is contrary to that specified in this RFT will be disqualified from the Tendering Process and will be ineligible for consideration. However, a late Tender may be accepted where the Bidder can clearly demonstrate (to the satisfaction of the GMA) that late lodgement of the Tender was caused by a system interruption in case of the e-Tender system or that access was denied or hindered in relation to the physical tender box or that a major/critical incident hindered the delivery of their tender documents and, in either case, that the integrity of the Tendering Process will not be compromised by accepting a Tender after the Closing Time.
50. The determination of the GMA as to the actual time that a Tender is lodged is final. Subject to clause 49, all Tenders lodged after the Closing Time will be recorded by the GMA and will only be opened for the purposes of identifying a business name and address of the Bidder. The GMA will inform a Bidder whose Tender was lodged after the Closing Time of its ineligibility for consideration. The general operating practice is for the late tender to be returned within 5 (Five) working days of receipt or within 5 (Five) working days after determination not to accept a late tender.

Note to Bidders: The GMA may in its absolute discretion reject a Tender that does not include the information requested or is not in the format required.

53. Unnecessarily elaborate responses or other presentations beyond that which is sufficient to present a complete and effective tender proposal are not desired or required. Elaborate and expensive visual and other presentation aids are not necessary.

ILLEGIBLE CONTENT, ALTERATION AND ERASURES

55. Incomplete Tenders may be disqualified or evaluated solely on information contained in the Tender.

56. The GMA may disregard any content in a Tender that is illegible and will be under no obligation whatsoever to seek clarification from the Bidder.

57. The GMA may permit a Bidder to correct an unintentional error in their Tender where that error becomes known or apparent after the Closing Time, but in no event will any correction be permitted if the GMA reasonably considers that the correction would materially alter the substance of the Bidders Tender.

OBLIGATION TO NOTIFY ERRORS

58. If, after a Bidders Response has been submitted, the Bidder becomes aware of an error in the Bidders Response (including an error in pricing, but excluding clerical errors which would have no bearing on the evaluation of the Tender), the Bidder must promptly notify the GMA of such error.

RESPONSIBILITY FOR TENDERING COSTS

59. The Bidders participation or involvement in any stage of the Tendering Process is at the Bidders sole risk, cost and expense. The GMA will not be held responsible for, or pay for, any expense or loss that may be incurred by Bidders in relation to the preparation or lodgement of their Tender.
60. The GMA is not liable to the Bidder for any costs on the basis of any contractual, or promissory or restitutionary grounds whatsoever as a consequence of any matter relating to the Bidders participation in the Tendering Process, including without limitation, instances where:
- a. The Bidder is not engaged to perform under any contract; or
 - b. the GMA exercises any right under this RFT or at law.

USE OF TENDERS

62. Upon submission in accordance with the requirements of submission of Tenders, all Tenders submitted become the property of the GMA. Bidders will retain all ownership rights in any intellectual property contained in the Tender.
63. Each Bidder, by submission of their Tender, is deemed to have licensed the GMA to reproduce the whole, or any portion, of their Tender for the purposes of enabling the GMA to evaluate the Tender.
64. Further, in submitting a Tender, the Bidder accepts that the GMA shall, in accordance with the requirements of Treasury Regulation No. 16A.6.3(d) and the National Treasury Instruction Note on *Enhancing Compliance Monitoring and Improving Transparency and Accountability in Supply Chain Management*, publish (on the internet or otherwise):
- a. The names of all bidders that submitted bids in relation to this RFT within 10 (Ten) working days after the closure of the bid, if the bid is above the threshold value of R500 000; and

- b. on award of the bid, the name of the successful bidder, the contract price, preference points claimed, the contract number and description of the contract awarded.

PERIOD OF VALIDITY

65. All Tenders received must remain valid and open for acceptance for a minimum of 90 (Ninety) days from the Closing Time. This period may be extended by written mutual agreement between the GMA and the Bidder.

STATUS OF TENDER

66. Each Tender constitutes an irrevocable offer by the Bidder to the GMA to provide the Services required and otherwise to satisfy the requirements of the Specification as set out in this RFT Part B.
67. A Tender must not be conditional on:
 - a. The Board approval of the Bidder or any related governing body of the Bidder being obtained;
 - b. the Bidder conducting due diligence or any other form of enquiry or investigation;
 - c. the Bidder (or any other party) obtaining any regulatory approval or consent;
 - d. the Bidder obtaining the consent or approval of any third party; or
 - e. the Bidder stating that it wishes to discuss or negotiate any commercial terms of the contract.
68. The GMA may, in its absolute discretion, disregard any tender that is, or is stated to be, subject to any one or more of the conditions detailed above (or any other relevant conditions).
69. The GMA reserves the right to accept a Tender in part or in whole or to negotiate with a Bidder in accordance with the clause 88 (Unreasonable disadvantage) of this RFT Part A.

TENDER RESPONSE

COMPLIANCE WITH SPECIFICATION

70. Under Part C of this RFT, a Bidder must submit a tabulated statement showing its level of compliance to the Specification contained in this RFT Part B.
71. In particular, Bidders must state if they will not comply with the Specification, or will only comply with the Specification subject to conditions. Full details of the non-compliance (including the nature and extent of the non-compliance and any reasons for such non-compliance) must be stated in the space provided in the tabulated statement.
72. No response is required in respect of a particular section of the Specification where Bidders will comply with the Specification. Only sections that Bidders have not complied with, or will only comply with subject to conditions, should be noted in the tabulated statement.

73. The GMA is prepared to contemplate minor variations or departures from the Specification proposed by Bidders.
74. However, Bidders should note that significant or substantive variations or departures from the Specifications will not be viewed favourably unless the Bidder is able to clearly demonstrate to the satisfaction of the GMA the necessity for such variations or departures.

Note to Bidders: The GMA will assume that a Bidders Response complies in all relevant respects with the Specification unless the Bidder states otherwise. Failure to notify the GMA of any non-compliance may result in a Bidders Response being disregarded.

75. For the purposes of clauses 70 and 71:

- **Yes/Complies** means that in all respects the Bidders Response meets or otherwise satisfies all specified outputs, characteristics or performance standards.
- **Will comply subject to conditions** means that the specified outputs, characteristics or performance standards can only be met by the Bidder subject to certain conditions.
- **No/Will not comply** means that the specified outputs, characteristics or performance standards is not met by the Bidders Response.

GENERAL

76. Indefinite responses such as “noted”, “to be discussed” or “to be negotiated” are not acceptable.
77. Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Tender, or be included in a general statement of the Bidders usual operating conditions.
78. An incomplete Tender may be disqualified or assessed solely on the information completed or received with the Tender.

ALTERNATIVE TENDER

79. A Bidder may submit an alternative proposal. An alternative proposal will only be accepted if:
- a. The Bidder also provides a conforming Bidders Response; and
 - b. the alternative proposal is clearly identified as an “Alternative Tender”.

80. An Alternative Tender may:
- a. Not comply with the Specifications for the relevant Services due to inherent design or capability in the operation of the Services; or
 - b. provide the Services in a manner different to that specified in this RFT Part B.

INNOVATIVE SOLUTIONS

81. Bidders are encouraged to offer options or solutions which may, in an innovative way, contribute to the GMA's ability to carry out its operations in a more cost-effective manner.
82. These options or solutions may be related to:
- a. The outputs, functional, performance and technical aspects of the requirement; or
 - b. opportunities for more advantageous commercial arrangements.
83. Any such options or solutions will be considered by the GMA on a "commercial in confidence" basis if so requested by the Bidder.
84. Where a Bidder submits an offer which meets the requirements of this RFT in an alternative and practical manner, the Tender must also include any supplementary material (including such pricing and costing details as may be necessary to enable the GMA to fully assess the financial impact of the alternative proposal), which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.
85. The GMA reserves the right to consider such offers on their merits or not to consider them at all.

CONTRACT DISCLOSURE REQUIREMENTS

DISCLOSURE OF INFORMATION

86. The Conditions of Tendering include a provision for the disclosure of contract information (refer to this RFT Part A dealing with "Use of Tenders").
87. If a Bidder wishes to withhold the disclosure of specific contract information, the Bidder must clearly outline how the release of this information will expose trade secrets, business strategy or unique methodologies that may expose the business unreasonably to disadvantage.

TRADE SECRETS

88. In considering whether specific information should be categorised as a trade secret, Bidders' should assess:
- a. The extent to which it is known outside of the Bidders business;
 - b. the extent to which it is known by the persons engaged in the Bidders business;
 - c. any measures taken to guard its secrecy;
 - d. its value to the Bidders business and to any competitors;
 - e. the amount of money and effort invested in developing the information; and
 - f. the ease or difficulty with which others may acquire or develop this information.

UNREASONABLE DISADVANTAGE

89. In determining whether disclosure of specific information will expose a Bidders business unreasonably to disadvantage, the following should be considered:
- a. Whether the information is generally available to competitors; and
 - b. whether it could be disclosed without causing substantial harm to the competitive position of the business.

The GMA will consider these applications in the Tender evaluation and negotiations (if any) with Bidders.

EVALUATION OF TENDERS

EVALUATION PROCESS

90. Following the Closing Time, the GMA intends to evaluate the Tenders received.
91. Tenders will be evaluated against the Evaluation Criteria specified under the section "Evaluation Criteria Format".
92. Without limiting the GMA's rights in the RFT, the GMA may at any time during the Tendering Process choose to:
- a. Shortlist one or more Bidders;
 - b. commence or continue discussions with all or some Bidders without short listing any Bidders; or
 - c. accept one or more of the Tenders.

93. Unless the Evaluation Criteria explicitly require, the GMA may, but is not in any way bound to, shortlist, to select as successful, or to accept the Tender offering the lowest price.
94. Should the GMA choose to include a short listing stage in its evaluation process, the GMA is not, at any time, required to notify Bidders or any other person or organisation interested in submitting a Tender.
95. A Bidders Response will not be deemed to be unsuccessful until such time as the Bidder is formally notified of that fact by the GMA. The commencement of negotiations by the GMA with one or more other Bidders is not to be taken as an indication that any particular Bidders Response has not been successful.

EVALUATION CRITERIA FORMAT

96. The evaluation criteria is weighted to reflect the importance of project requirements noted in the Specifications:
97. In evaluating Bidders Responses, the GMA will have regard to:
- a. Specific evaluation criteria identified in the list below;
 - b. the overall value for money proposition presented in the Bidders Response; and
 - c. particular weighting assigned to any or all of the evaluation criteria specified below.
98. For the purposes of this RFT clause 96, 'value for money' is a measurement of financial and non-financial factors, including:
- a. Quality levels; and
 - b. performance standards.
99. Value for money will be assessed on a 'whole of life' basis (including the transitioning-in, the contract term and the transitioning-out phases of the relationship between the GMA and a Bidder), with a view to long-term sustainability of the value for money proposition and with a focus on ensuring that value for money outcomes are promoted and protected following the conclusion of any contract that may result from this RFT.
100. Administrative compliance will be determined in accordance with the conditions listed in this RFT.
101. It is estimated that some of the proposals received will be over a value of R 1,000,000 and therefore in terms of the Gautrain Management Agency's Supply Chain Management Policy the 90/10 preference point system shall apply.

102. Functionality is included as a criterion in the evaluation of this RFT. The evaluation criteria for measuring functionality, and the weighting attached to each criterion is listed in the table below.

FUNCTIONALITY EVALUATION CRITERIA	MAXIMUM POINTS
Compliance with specification (All Annexures and supporting documents completed and submitted & Pages 45-47 duly completed including word and page limits)	5

Experience and expertise of members in the project team including organogram	5
Communication Plan	5
Affiliation to or membership of professional bodies	5
Innovation and strategy	10
TOTAL POINTS	100

103. A minimum threshold for functionality of 70 (Seventy) points is required. Bids that do not meet this threshold will automatically be disqualified for further evaluation.

104. Thereafter, only the qualifying bids will be evaluated in terms of the 90/10 preference point system, where a maximum of 90 points are allocated for price only and a maximum of 10 points are allocated in respect of the level of B-BBEE contribution of the bidder.

THE 90/10 PREFERENCE POINTS SYSTEM

EVALUATION CRITERIA	MAXIMUM POINTS
Price	90
B-BBEE Status Level of Contributor	10
TOTAL POINTS FOR PRICE AND B-BBEE MUST NOT EXCEED	100

PRICE EVALUATION

105. Price points will be allocated based on how benefits are charged and on the fee structures proposed.

POINTS AWARDED FOR B-BBEE STATUS LEVEL OF CONTRIBUTION

106. The preference points claimed by each bidder for attaining the B-BBEE Status Level of Contributor will be allocated to each qualifying bid when determining the total bid score under the preference points system. The points scored by a bidder in respect of the level of B-BBEE contribution contemplated in Annexure E, will be added to the points scored for price, calculated as described in Annexure E.

CLARIFICATION OF TENDERS

107. The GMA may seek clarification from and enter into discussions with any or all of the Bidders in relation to their Tender. The GMA may use such information in interpreting the Tender and evaluating the cost and risk in accepting the Tender. Failure to supply clarification to the satisfaction of the GMA may render the Tender liable to disqualification.

108. The GMA is under no obligation to seek clarification of anything in a Tender and reserves the right to disregard any clarification that the GMA considers to be unsolicited or otherwise impermissible in accordance with the rules set out in this RFT.

DISCUSSION WITH BIDDERS

109. The GMA may elect to engage in detailed discussions with any one or more Bidders, with a view to maximising the benefits of this RFT as measured against the evaluation criteria and in fully understanding a Bidders offer.

110. As part of this process, the GMA may request such Bidders to improve one or more aspects of their Tender, including any technical, financial, corporate or legal components.

111. In its absolute discretion, the GMA may invite some or all Bidders to give a presentation to the GMA in relation to their submissions, that may include a demonstration of software, programs or unique methodologies proposed, if applicable.

112. The GMA is under no obligation to undertake discussions with, or to invite any presentations from Bidders.

113. In addition to presentations and discussions, the GMA may request some or all Bidders to:

- a. Conduct a site visit, if applicable;
- b. provide references or additional information; and/or
- c. make themselves available for panel interviews.

BEST AND FINAL OFFERS

114. Bidders or where the Tendering Process involves a short listing process, shortlisted Bidders may be invited by the GMA to submit a best and final offer in relation to all or certain aspects of their respective Tenders.

115. The GMA is under no obligation to give Bidders the opportunity to submit a best and final offer. If the GMA chooses to give Bidders the opportunity to submit a best and final offer, it is under no obligation to give notification before the Closing Time that such opportunity will be given.

116. Notwithstanding the possibility that the GMA may give Bidders the opportunity to submit a best and final offer, Bidders should be aware that the GMA will, in conducting its evaluation of Tenders, rely on all information (including all representations) contained in such Tenders. Bidders are therefore encouraged to submit their best and final offers in the first instance.

SUCCESSFUL TENDERS

NO LEGALLY BINDING CONTRACT

117. Selection as a successful Bidder does not give rise to a contract (express or implied) between the successful Bidder and the GMA for the supply of the Services. No legal relationship will exist between the GMA and a successful Bidder for the supply of the Services until such time as a binding contract is executed by them.

PRE-CONTRACTUAL NEGOTIATIONS

118. The GMA may, in its absolute discretion, decide not to enter into pre-contractual negotiations with a successful Bidder.

119. A Bidder is bound by its Tender and all other documents forming part of the Bidders Response and, if selected as a successful Bidder, must enter into a contract on the basis of the Tender without negotiation.

NO OBLIGATION TO ENTER INTO CONTRACT

120. The GMA is under no obligation to appoint a successful Bidder or Bidders (as the case may be), or to enter into a contract with a successful Bidder or any other person, if it is unable to identify a Tenderer that complies in all relevant respects with the requirements of the GMA, or if due to changed circumstances, there is no longer a need for the Services requested, or if funds are no longer available to cover the total envisaged expenditure. For the avoidance of any doubt, in these circumstances the GMA will be free to proceed via any alternative process.

121. The GMA may conduct a debriefing session for all Bidders (successful and unsuccessful). Attendance at such debriefing session is optional.

ADDITIONAL RULES

122. It is a condition of the tendering process that Bidders will be required to complete all the forms annexed to this RFT Part C.

123. A Bidder who does not submit all the information as required by the GMA will be disqualified from the Tendering Process.

BIDDER WARRANTIES

124. By submitting a Tender, a Bidder warrants that:

- a. In lodging its Tender it did not rely on any express or implied statement, warranty or representation, whether oral, written, or otherwise made by or on behalf of the GMA, its officers, employees, or advisers other than any statement, warranty or representation expressly contained in the RFT;
- b. it did not use the improper assistance of GMA employees or information unlawfully obtained from the GMA in compiling its Tender;
- c. it is responsible for all costs and expenses related to the preparation and lodgement of its Tender, any subsequent negotiation, and any future process connected with or relating to the Tendering Process;
- d. it otherwise accepts and will comply with the rules set out in this RFT; and
- e. it will provide additional information in a timely manner as requested by the GMA to clarify any matters contained in the Tender.

GMA'S RIGHTS

125. Notwithstanding anything else in this RFT, and without limiting its rights at law or otherwise, the GMA reserves the right, in its absolute discretion at any time, to:

- a. Cease to proceed with, or suspend the Tendering Process prior to the execution of a formal written contract;
- b. alter the structure and/or the timing of this RFT or the Tendering Process;

- d. terminate the participation of any Bidder or any other person in the Tendering Process;
- e. require additional information or clarification from any Bidder or any other person or provide additional information or clarification;
- f. negotiate with any one or more Bidder and allow any Bidder to alter its Tender;
- g. call for new Tenders;
- h. reject any Tender received after the Closing Time;
- i. reject any Tender that does not comply with the requirements of this RFT; or
- j. consider and accept or reject any alternative tender.

GOVERNING LAWS

126. This RFT and the Tendering Process is governed by the laws applying in the Republic of South Africa.

127. Each Bidder must comply with all relevant laws in preparing and lodging its Tender and in taking part in the Tendering Process.

128. All tenders must be completed using the English language and all costing must be in South African Rands.

INCONSISTENCY

128 If there is any inconsistency between any parts of this RFT, a descending order of precedence must be accorded to:

- (a) the conditions of tendering in Part A and Part B of this RFT, and any annexure or attachments;
- (b) the Bidders response in Part C of this RFT;
- (c) any other part of this RFT, so that the provision in the higher ranked document, to the extent of the inconsistency, prevails.

RFT - PART B:

TENDER SPECIFICATION

SCOPE OF SERVICES

1. Background

The Gautrain Management Agency (GMA) is a stakeholder in the Johannesburg Intermodal Planning Committee (JIPC) which was established by the City of Johannesburg in terms of the National Land Transport Act (5 of 2009) to initiate, develop and co-ordinate short and long term measures to ensure integrated public transport. The other stakeholders include PRASA, Rea Vaya, SANRAL and the taxi industry.

The City of Johannesburg's overall objective is to promote the use of public transport, walking and cycling as a mode of choice and reducing congestion. The GMA is experiencing parking capacity constraints at Gautrain stations and requires additional or alternative parking sites to provide more capacity in order to fully support the initiatives of promoting the use of public transport. One of the strategies initiated by the JIPC is to conduct a feasibility study on the possibility of working with the private sector institutions, shopping centres and other private sector partners to facilitate the use their parking spaces as park & ride sites.

For the purpose of the feasibility study, park & ride has the following meaning:

- **Park & ride** – secure and convenient parking site where commuters are able to park their private cars and transfer to a public transport system such as Gautrain , Metrorail, BRT or Metrobus to reach their final destinations.

2. Objective

The purpose of the Request for Proposal (RFP) is to find a service provider with the required expertise and experience who can undertake a feasibility study on the implementation of park & ride options within the City of Johannesburg for various transport stakeholders (including Gautrain, Rea Vaya, PRASA and SANRAL) and to investigate the availability of alternative parking spaces within a 300m radius from Gautrain stations and along specific Gautrain bus routes. The study will provide practical solutions that can be implemented to encourage private car users to switch to public transport. Although this is a GMA and City of Johannesburg initiative, the GMA is the appointing authority for the issuing of the Request for Tender (RFT). The GMA Project Manager will oversee the activities of the service provider to ensure compliance with the specified requirements. Certain sections of the project will involve selected members of the JIPC.

3. Scope of work

3.1 Terms of Reference

The successful service provider would be required to:

1. Investigate (defined as; to be all the work necessary to identify the property zoning, restrictions, ownership, suitability for surface or structured parking and likely commercial terms for lease or purchase of the property with adequate documentation to back conclusions thereon) the availability of alternative parking spaces within a 300m radius from Gautrain Stations and along the specific Gautrain routes. The list below indicates what needs to be investigated per station area:

Gautrain Station Name	Activity
Hatfield	<ul style="list-style-type: none"> • Investigate parking sites (including Shopping centres) along the following bus routes: <ul style="list-style-type: none"> - Brooklyn - Lynwood - Arcadia - Queenswood - Menlyn

Rosebank	<ul style="list-style-type: none"> • Investigate parking sites within a radius of 300m from the station • Investigate parking sites along the following bus routes: <ul style="list-style-type: none"> - Melrose Arch - Killarney - Craighall - Illovo
Rhodesfield	<ul style="list-style-type: none"> • Investigate parking sites (including Shopping centres) along the following bus route: <ul style="list-style-type: none"> - Kempton Park • Investigate the feasibility of using the following shopping centres as parking sites: <ul style="list-style-type: none"> - Eastrand (possible future bus route extension) - Lakeside (possible future bus route extension)

2. Conduct a study on the feasibility (which should include all work to establish the likely usage (demand for parking) of such parking as well as travel times to and from stations, likely commercial terms of usage for specific durations of time) of using the parking sites and shopping centres listed below for park & ride. Investigate their suitability in terms of safety, security and proximity to the existing public transport routes. Additional parking sites identified during this exercise should be within the City of Johannesburg.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (Annexure G) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for GMA which wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

4. Each person whose signature appears on the accompanying bid has been authorised by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organisation, other than the bidder, whether or not affiliated with the bidder, who:

 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation);
 - (c) methods, factors or formulas used to calculate prices;
 - (d) the intention or decision to submit or not to submit, a bid;

9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.
10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
