64. Further, in submitting a Tender, the Bidder accepts that the GMA shall, in accordance with the requirements of Treasury Regulation No. 16A.6.3(d) and the National Treasury Instruction Note on *Enhancing Compliance Monitoring and Improving Transparency and Accountability in Supply Chain Management*, publish (on the internet or otherwise):

70. Under Part C of this RFP, a Bidder must submit a tabulated statement showing its level of compliance to the Specification contained in this RFP Part B.
71. In particular, Bidders must state if they will not comply with the Specification, or will only comply with the Specification subject to conditions. Full details of the non-compliance (including the nature and extent of the non-compliance and any reasons for such non-compliance) must be stated in the space provided in the tabulated statement.

72. No response is required in respect of a particular section of the Specification where Bidders will comply with the Specification. Only sections that Bidders have not complied with, or will only comply with subject to conditions, should be noted in the tabulated statement.
73. The GMA is prepared to contemplate minor variations or departures from the Specification proposed by Bidders.
74. However, Bidders should note that significant or substantive variations or departures from the Specifications will not be viewed favourably unless the Bidder is able to clearly demonstrate to the satisfaction of the GMA the necessity for such variations or departures.

Note to Bidders: The GMA will assume that a Bidders Response complies in all relevant respects with the Specification unless the Bidder states otherwise. Failure to notify the GMA of any non-compliance may result in a Bidders Response being disregarded.

75. For the purposes of clauses 70,71 and 72:

- **Yes/Complies** means that in all respects the Bidders Response meets or otherwise satisfies all specified outputs, characteristics or performance standards.
- **Will comply subject to conditions** means that the specified outputs, characteristics or performance standards can only be met by the Bidder subject to certain conditions.
- **No/Will not comply** means that the specified outputs, characteristics or performance standards is not met by the Bidders Response.

GENERAL

76. Indefinite responses such as “noted”, “to be discussed” or “to be negotiated” are not acceptable.
77. Where the Bidder is unwilling to accept a specified condition, the non-acceptance must be clearly and expressly stated. Prominence must be given to the statement detailing the non-acceptance. It is not sufficient that the statement appears only as part of an attachment to the Tender, or be included in a general statement of the Bidders usual operating conditions.
78. An incomplete Tender may be disqualified or assessed solely on the information completed or received with the Tender.

ALTERNATIVE TENDER

79. A Bidder may submit an alternative proposal. An alternative proposal will only be accepted if:
- a. The Bidder also provides a conforming Bidders Response; and

- b. the alternative proposal is clearly identified as an “Alternative Tender”.

80. An Alternative Tender may:

- a. Not comply with the Specifications for the relevant Services due to inherent design or capability in the operation of the Services; or
- b. provide the Services in a manner different to that specified in this RFP Part B.

INNOVATIVE SOLUTIONS

81. Bidders are encouraged to offer options or solutions which may, in an innovative way, contribute to the GMA’s ability to carry out its operations in a more cost-effective manner.

82. These options or solutions may be related to:

- a. The outputs, functional, performance and technical aspects of the requirement; or
- b. opportunities for more advantageous commercial arrangements.

83. Any such options or solutions will be considered by the GMA on a “commercial in confidence” basis if so requested by the Bidder.

84. Where a Bidder submits an offer which meets the requirements of this RFP in an alternative and practical manner, the Tender must also include any supplementary material (including such pricing and costing details as may be necessary to enable the GMA to fully assess the financial impact of the alternative proposal), which demonstrates in detail that such an alternative will fully achieve and/or exceed all the specified requirements, together with references as to why the additional features may be advantageous.

85. The GMA reserves the right to consider such offers on their merits or not to consider them at all.

CONTRACT DISCLOSURE REQUIREMENTS

DISCLOSURE OF INFORMATION

86. The Conditions of Tendering include a provision for the disclosure of contract information (refer to this RFP Part A dealing with “Use of Tenders”).

87. If a Bidder wishes to withhold the disclosure of specific contract information, the Bidder must clearly outline how the release of this information will expose trade secrets, business strategy or unique methodologies that may expose the business unreasonably to disadvantage.

TRADE SECRETS

88. In considering whether specific information should be categorised as a trade secret, Bidders' should assess:
- a. The extent to which it is known outside of the Bidders business;
 - b. the extent to which it is known by the persons engaged in the Bidders business;
 - c. any measures taken to guard its secrecy;
 - d. its value to the Bidders business and to any competitors;
 - e. the amount of money and effort invested in developing the information; and
 - f. the ease or difficulty with which others may acquire or develop this information.

UNREASONABLE DISADVANTAGE

89. In determining whether disclosure of specific information will expose a Bidders business unreasonably to disadvantage, the following should be considered:
- a. Whether the information is generally available to competitors; and
 - b. whether it could be disclosed without causing substantial harm to the competitive position of the business.

The GMA will consider these applications in the Tender evaluation and negotiations (if any) with Bidders.

EVALUATION OF TENDERS**EVALUATION PROCESS**

90. Following the Closing Time, the GMA intends to evaluate the Tenders received.
91. Tenders will be evaluated against the Evaluation Criteria specified under the section "Evaluation Criteria Format".
92. Without limiting the GMA's rights in the RFP, the GMA may at any time during the Tendering Process choose to:
- a. Shortlist one or more Bidders;
 - b. commence or continue discussions with all or some Bidders without short listing any Bidders; or
 - c. accept one or more of the Tenders.

93. Unless the Evaluation Criteria explicitly require, the GMA may, but is not in any way bound to, shortlist, to select as successful, or to accept the Tender offering the lowest price.
94. Should the GMA choose to include a short listing stage in its evaluation process, the GMA is not, at any time, required to notify Bidders or any other person or organisation interested in submitting a Tender.
95. A Bidders Response will not be deemed to be unsuccessful until such time as the Bidder is formally notified of that fact by the GMA. The commencement of negotiations by the GMA with one or more other Bidders is not to be taken as an indication that any particular Bidders Response has not been successful.

EVALUATION CRITERIA FORMAT

96. The evaluation criteria is weighted to reflect the importance of project requirements noted in the Specifications:
97. In evaluating Bidders Responses, the GMA will have regard to:
- a. Specific evaluation criteria identified in the list below;
 - b. the overall value for money proposition presented in the Bidders Response; and
 - c. particular weighting assigned to any or all of the evaluation criteria specified below.
98. For the purposes of this RFP clause 97, 'value for money' is a measurement of financial and non-financial factors, including:
- a. Quality levels; and
 - b. performance standards.
99. Value for money will be assessed on a 'whole of life' basis (including the transitioning-in, the contract term and the transitioning-out phases of the relationship between the GMA and a Bidder), with a view to long-term sustainability of the value for money proposition and with a focus on ensuring that value for money outcomes are promoted and protected following the conclusion of any contract that may result from this RFP.
100. Administrative compliance will be determined in accordance with the conditions listed in this RFP.
101. The value of this bid is estimated to be below R 1,000,000 and therefore the 80/20 preference point system shall apply.

102. Functionality is included as a criterion in the evaluation of this RFP. The evaluation criteria for measuring functionality, and the weighting attached to each criterion is listed in the table below.

FUNCTIONALITY EVALUATION CRITERIA	MAXIMUM POINTS
Compliance with specification (All Annexures and supporting documents completed and submitted and RFP Part C completed including word and page limits)	10

Unconditional commitment of availability of assigned personnel to commence work on 5 th October 2012.	20
TOTAL POINTS	100

103. A minimum threshold for functionality of 80 (Eighty) points is required. Bids that do not meet this threshold will automatically be disqualified for further evaluation.

104. Thereafter, only the qualifying bids will be evaluated in terms of the 80/20 preference point system, where a maximum of 80 points are allocated for price and a maximum of 20 points are allocated in respect of the level of B-BBEE contribution of the bidder.

THE 80/20 PREFERENCE POINTS SYSTEM

EVALUATION CRITERIA	MAXIMUM POINTS
Price	80
B-BBEE Status Level of Contributor	20
TOTAL POINTS FOR PRICE AND B-BBEE MUST NOT EXCEED	100

PRICE EVALUATION

105. Price points will be allocated based on how benefits are charged and on the fee structures proposed.

POINTS AWARDED FOR B-BBEE STATUS LEVEL OF CONTRIBUTION

106. The preference points claimed by each bidder for attaining the B-BBEE Status Level of Contributor will be allocated to each qualifying bid when determining the total bid score under the preference points system. The points scored by a bidder in respect of the level of B-BBEE contribution contemplated in Annexure E, will be added to the points scored for price, calculated as described in Annexure E.

CLARIFICATION OF TENDERS

107. The GMA may seek clarification from and enter into discussions with any or all of the Bidders in relation to their Tender. The GMA may use such information in interpreting the Tender and evaluating the cost and risk in accepting the Tender. Failure to supply clarification to the satisfaction of the GMA may render the Tender liable to disqualification.

108. The GMA is under no obligation to seek clarification of anything in a Tender and reserves the right to disregard any clarification that the GMA considers to be unsolicited or otherwise impermissible in accordance with the rules set out in this RFP.

DISCUSSION WITH BIDDERS

109. The GMA may elect to engage in detailed discussions with any one or more Bidders, with a view to maximising the benefits of this RFP as measured against the evaluation criteria and in fully understanding a Bidders offer.

110. As part of this process, the GMA may request such Bidders to improve one or more aspects of their Tender, including any technical, financial, corporate or legal components.

111. In its absolute discretion, the GMA may invite some or all Bidders to give a presentation to the GMA in relation to their submissions, that may include a demonstration of software, programs or unique methodologies proposed, if applicable.

112. The GMA is under no obligation to undertake discussions with, or to invite any presentations from Bidders.

113. In addition to presentations and discussions, the GMA may request some or all Bidders to:

- a. Conduct a site visit, if applicable;
- b. provide references or additional information; and/or

BEST AND FINAL OFFERS

114. Bidders or where the Tendering Process involves a short listing process, shortlisted Bidders may be invited by the GMA to submit a best and final offer in relation to all or certain aspects of their respective Tenders.
115. The GMA is under no obligation to give Bidders the opportunity to submit a best and final offer. If the GMA chooses to give Bidders the opportunity to submit a best and final offer, it is under no obligation to give notification before the Closing Time that such opportunity will be given.
116. Notwithstanding the possibility that the GMA may give Bidders the opportunity to submit a best and final offer, Bidders should be aware that the GMA will, in conducting its evaluation of Tenders, rely on all information (including all representations) contained in such Tenders. Bidders are therefore encouraged to submit their best and final offers in the first instance.

SUCCESSFUL TENDERS**NO LEGALLY BINDING CONTRACT**

117. Selection as a successful Bidder does not give rise to a contract (express or implied) between the successful Bidder and the GMA for the supply of the Services. No legal relationship will exist between the GMA and a successful Bidder for the supply of the Services until such time as a binding contract is executed by them.

PRE-CONTRACTUAL NEGOTIATIONS

118. The GMA may, in its absolute discretion, decide not to enter into pre-contractual negotiations with a successful Bidder.
119. A Bidder is bound by its Tender and all other documents forming part of the Bidders Response and, if selected as a successful Bidder, must enter into a contract on the basis of the Tender without negotiation.

NO OBLIGATION TO ENTER INTO CONTRACT

120. The GMA is under no obligation to appoint a successful Bidder or Bidders (as the case may be), or to enter into a contract with a successful Bidder or any other person, if it is unable to identify a Tender that complies in all relevant respects with the requirements of the GMA, or if due to changed circumstances, there is no longer a need for the Services requested, or if funds are no longer available to cover the total envisaged expenditure. For the avoidance of any doubt, in these circumstances the GMA will be free to proceed via any alternative process.

121. The GMA may conduct a debriefing session for all Bidders (successful and unsuccessful). Attendance at such debriefing session is optional.

CERTIFICATE OF INDEPENDENT BID DETERMINATION

1. This Standard Bidding Document must form part of all bids¹ invited.
2. Section 4 (1) (b) (iii) of the Competition Act No. 89 of 1998, as amended, prohibits an agreement between, or concerted practice by, firms, or a decision by an association of firms, if it is between parties in a horizontal relationship and if it involves collusive bidding (or bid rigging).² Collusive bidding is a *per se* prohibition meaning that it cannot be justified under any grounds.
3. Treasury Regulation 16A9 prescribes that accounting officers and accounting authorities must take all reasonable steps to prevent abuse of the supply chain management system and authorizes accounting officers and accounting authorities to:
 - a. disregard the bid of any bidder if that bidder or any of its directors have abused the institution's supply chain management system and or committed fraud or any other improper conduct in relation to such system.
 - b. cancel a contract awarded to a supplier of goods and services if the supplier committed any corrupt or fraudulent act during the bidding process or the execution of that contract.
4. This SBD serves as a certificate of declaration that would be used by institutions to ensure that, when bids are considered, reasonable steps are taken to prevent any form of bid-rigging.
5. In order to give effect to the above, the attached Certificate of Bid Determination (Annexure G) must be completed and submitted with the bid:

¹ Includes price quotations, advertised competitive bids, limited bids and proposals.

² Bid rigging (or collusive bidding) occurs when businesses, that would otherwise be expected to compete, secretly conspire to raise prices or lower the quality of goods and / or services for GMA which wish to acquire goods and / or services through a bidding process. Bid rigging is, therefore, an agreement between competitors not to compete.

³ Joint venture or Consortium means an association of persons for the purpose of combining their expertise, property, capital, efforts, skill and knowledge in an activity for the execution of a contract.

I, the undersigned, in submitting the accompanying bid:

(Bid Number and Description)

4. Each person whose signature appears on the accompanying bid has been authorised by the bidder to determine the terms of, and to sign the bid, on behalf of the bidder;
5. For the purposes of this Certificate and the accompanying bid, I understand that the word "competitor" shall include any individual or organisation, other than the bidder, whether or not affiliated with the bidder, who:
 - (a) has been requested to submit a bid in response to this bid invitation;
 - (b) could potentially submit a bid in response to this bid invitation, based on their qualifications, abilities or experience; and
 - (c) provides the same goods and services as the bidder and/or is in the same line of business as the bidder.
6. The bidder has arrived at the accompanying bid independently from, and without consultation, communication, agreement or arrangement with any competitor. However communication between partners in a joint venture or consortium³ will not be construed as collusive bidding.
7. In particular, without limiting the generality of paragraphs 6 above, there has been no consultation, communication, agreement or arrangement with any competitor regarding:
 - (a) prices;
 - (b) geographical area where product or service will be rendered (market allocation);

- 9. The terms of the accompanying bid have not been, and will not be, disclosed by the bidder, directly or indirectly, to any competitor, prior to the date and time of the official bid opening or of the awarding of the contract.

- 10. I am aware that, in addition and without prejudice to any other remedy provided to combat any restrictive practices related to bids and contracts, bids that are suspicious will be reported to the Competition Commission for investigation and possible imposition of administrative penalties in terms of section 59 of the Competition Act No 89 of 1998 and or may be reported to the National Prosecuting Authority (NPA) for criminal investigation and or may be restricted from conducting business with the public sector for a period not exceeding ten (10) years in terms of the Prevention and Combating of Corrupt Activities Act No 12 of 2004 or any other applicable legislation.
